

# 10 Reasons to Study at INTERLINK International Institutes

## 1. International Recognition

Among the very first 13 programs internationally to be accredited by CEA, a federally recognized institution for accrediting English language programs

## 2. High Standards

High expectation of students to work hard, do required assignments, be disciplined (punctual, prepared, and present in classes at all times), and make steady progress

## 3. Highly Qualified Faculty

Highly qualified, well-trained, and experienced teachers with advanced degrees in language teaching, Linguistics, and related fields, providing students with abundant, individual attention

## 4. Unique Curriculum

A learner-centered, needs-based, and experiential approach through use of well-developed projects to help students become linguistically confident, cross-culturally competent, and academically prepared learners

## 5. Instructional Focus

Since 1980, helping students become independent learners, critical thinkers, confident speakers, presenters, and learners; INTERLINK's graduates have attended some of the top universities in the U.S.

## 6. Small Classes for Online and In-Person Programs

8-12 students per class, offered in 9-week and 5-week sessions, 10, 15, or 20 hours per week.

## 7. Locations

A choice of universities in different parts of the U.S. with varied geographical regions, diverse climates, and safe environments in both urban and rural settings with natural parks and beautiful recreational destinations

## 8. TOEFL Waiver

No requirements of TOEFL or IELTS for university admission after successful completion of the program

## 9. Conditional Admission

Assistance with conditional admission to one of our partner universities for academically qualified students

## 10. International Community

Cross-cultural learning opportunities with students from around the world
